

As Sonoma Valley gradually returns to living in a post-COVID world, we must all accept the responsibility to protect our community. In that spirit, Sonoma Valley Chamber, Sonoma Valley Vintners & Growers Alliance and the Sonoma Valley Visitors Bureau have developed **Sonoma Valley Safe** to support our businesses in taking the necessary steps to keep customers and employees safe and communicate with our guests that Sonoma Valley is committed to maintaining the highest safety standards to protect the health and welfare of employees, guests, and our community while providing world-class hospitality.

In order to become a Sonoma Valley Safe business, our local businesses and members will need to complete a **checklist** and **set of criteria** prior to opening their doors, once allowed by local health orders.
